

# Expert search engine optimization

[Increased online exposure and traffic for your site. Click Here](#)

Building backlinks to your pages is an essential part of Search Engine Optimization (SEO). Backlinks will not only help your pages get found by and indexed in the search engines faster, but they will also influence rankings, so your pages are ranked higher and your site receives more traffic. If like me you want your pages to rank higher in the search engines, then you should build backlinks to your pages almost every day. Link building should be an on-going process, and not just a one-off thing. That's one of the reasons why I decided to create my own link building service: SocialMonkee. With SocialMonkee YOU can build 25 new backlinks to your pages every day, and be part of a community that now counts over 100,000 members. SocialMonkee gives you access to the tools thousands of people have used to build backlinks to their site and boost their existing backlinks. As a SocialMonkee Member you will be able to: - Submit 1 URL to 25 Sites Every Day - Get Access to Link Reports & Statistics - All Sites on Unique C-Class IP Addresses - All our sites have their own domain name and are on unique C-Class IP addresses (from different servers), which means that all the backlinks you get are unique and made to last. - Earn 40% Commissions on

Referrals - You can also earn 40% commissions on Silver and Premium referrals. All you need to do is to add your ClickBank ID to your SocialMonkee profile, and share your affiliate link...
